

<b>Wed 8th July</b> Balliol College	
19.00	<b>Homecoming Dinner</b> <i>for overseas alumni</i>
<b>Thurs 9th July</b> Saïd Business School University of Oxford	
08:00 am	<b>Registration &amp; Morning Refreshments</b>
08:30	<b>Introduction - Alumni Briefing</b> Dr Nick Scott-Ram MBE, Director of Commercial Development, <b>Oxford AHSN</b> Nigel Gaymond, Founder & Chief Executive, <b>BELS</b>
09:00	<b>The UK Life Sciences Scene – Priorities, Progress, Plans</b> Keynote speaker: Professor Sir John Bell GBE, Regius Professor of Medicine, <b>University of Oxford</b>
09:30	<b>The Oxford Region Response to Global, National &amp; Local Priorities</b> Professor Gary Ford CBE, Chief Executive, <b>Oxford AHSN</b>
10:00	<b>Global, National &amp; Local Priorities Panel Discussion</b> Chair: Professor Sir John Bell GBE, Regius Professor of Medicine, <b>University of Oxford</b> Professor Gary Ford CBE, Chief Executive, <b>Oxford AHSN</b> Dr Stuart Collinson, Executive Chairman, <b>Arcturus Pharmaceuticals</b> Dr Stephen Hill, President and CEO, <b>Targacept</b> Marc Owen, Chairman, <b>Celesio AG</b> Dr Heather Preston, Partner and Managing Director, <b>TPG Biotech</b>
10:30	<b>Refreshment Break &amp; Networking</b>

<p>11:00</p>	<p><b>Opportunity 1: Genomics, Proteomics &amp; Data</b>  <i>A treasure trove of data but how to make sense of it to drive research?</i>  Building capabilities, addressing ethics, integrating into care, improving outcomes, fueling research.  Chair: Professor Gil McVean, Wellcome Trust Centre for Human Genetics, <b>University of Oxford &amp; Genomics Ltd</b>  Sir John Chisholm, Executive Chairman, <b>Genomics England</b>  Professor Simon Lovestone, Professor of Translational Neuroscience, Dept of Psychiatry, <b>University of Oxford</b>  Professor Kazem Rahimi, Deputy Director, <b>The George Institute of Public Health</b>  Dr Stephen Williams, Chief Medical Officer, <b>Somalogic</b></p>
<p>12:15</p>	<p><b>Genomics, Proteomics &amp; Data Panel Discussion</b>  Professor Gil McVean  Sir John Chisholm  Professor Kazem Rahimi  Professor Simon Lovestone  Dr Stephen Williams  Andrea Mensah, Senior Director – EMEA, Health Sciences Global Business Unit, <b>Oracle</b></p>
<p>13.00</p>	<p><b>Lunch</b></p>
<p>14:00</p>	<p><b>Opportunity 2: Diagnostics</b>  <i>The growing importance of prediction/prevention, but how is it valued?</i>  Clinical utility, improved targeting, molecular measurements, taxonomy issues, pre-symptomatic/predictive testing, proving value.  Chairman: Dr John Jeans, Life Science Champion, <b>Office for Life Sciences</b>  Professor Dan Lasserson, Associate Professor, Primary Care Health Sciences, <b>University of Oxford</b>  Dr Anna Schuh, Director of Molecular Diagnostics, Dept of Oncology, <b>University of Oxford</b>  Prof Lionel Tarassenko, Head - Dept of Engineering Science, <b>University of Oxford</b></p>
<p>15:00</p>	<p><b>Diagnostics Panel Discussion</b>  Dr John Jeans  Professor Dan Lasserson  Dr Anna Schuh  Professor Lionel Tarassenko  Dr Teresa Wright, Principal Medical Director, <b>Genentech</b></p>
<p>15:30</p>	<p><b>Refreshment Break &amp; Networking</b></p>

16:00	<p><b>Opportunity 3: Development Pathways</b>  <i>From ideas to approval and how to accelerate translation with the help of regulators</i>  Faster, safer, better value, better efficacy, more collaboration, complementary skills and expertise, ongoing training/cross-discipline skills development, research mobility.</p> <p>Chairman: Peter Ellingworth, Chief Executive, <b>Association of British Healthcare Industries (ABHI)</b>  Sir Michael Rawlins, Chairman, <b>Medicine and Healthcare products Regulatory Agency (MHRA)</b>  Prof Gillian Leng, Deputy Chief Executive, <b>National Institute for Health and Care Excellence (NICE)</b></p>
16:45	<p><b>Development Pathways Panel Discussion</b>  Peter Ellingworth  Professor Gillian Leng  Sir Michael Rawlins  Dr Dominic Behan, Executive VP and CSO, <b>Arena Pharmaceuticals</b>  Professor Brendan Buckley, CMO, <b>ICON</b>  Dr Timothy Clackson, President of R&amp;D and CSO, <b>Ariad Pharmaceuticals</b></p>
17:30	<p><b>Close of Day 1</b></p>
18:30	<p><b>Drinks Reception at the Ashmolean Museum</b></p>
19:30	<p><b>The Alumni Summit Dinner at the Ashmolean Museum</b>  Guest Speaker: The Rt Hon George Freeman, MP, UK Minister for Life Sciences</p>

Friday 10th July  
Saïd Business School,  
University of Oxford

07:30	<p><b>Young Innovators Forum</b>  Breakfast session with young innovators from the local health system</p>
08:30	<p><b>Opportunity 4: Open Innovation Partnerships</b>  <i>Is the way forward even more collaboration?</i>  Connecting, developing and sharing research to accelerate delivery of results and rewards</p> <p>Keynote Speaker: Professor Chas Bountra, Professor of Translational Medicine, <b>University of Oxford</b></p>

09:00

## Open Innovation Panel Discussion

Professor Chas Bountra

Dr Martino Picardo, Chief Executive, **Stevenage Bioscience Catalyst**

Dr Rupert Vessey, Senior Vice President, Translational Development, **Celgene**

Professor Ben Whalley, Professor of Neuropharmacology & School Director of Research, **University of Reading**

09:30

## Opportunity 5: Precision Medicine Evolution/Revolution

*The right intervention at the right time to the right person*

Priorities, progress, plans, adapting/ aligning, commercial systems and skills, transforming data into actionable guidance in the clinic

Chairman: Professor Richard Barker, Chairman, **Precision Medicine Catapult**

Professor Adrian Hill, Director of the Jenner Institute, **University of Oxford**

Professor Martin Landray, Professor of Medicine and Epidemiology, **University of Oxford**

Professor Gillies McKenna, Head of Department of Oncology, **University of Oxford**

Professor Ian Pavord, Professor of Respiratory Medicine, **University of Oxford**

11:00

## Refreshment Break and Networking

11:30

## Precision Medicine Panel Discussion

Professor Richard Barker

Professor Adrian Hill

Professor Martin Landray

Professor Gillies McKenna

Professor Ian Pavord

12.00

## Opportunity 6: Tackling Critical Diseases

### Critical Diseases – Priorities, progress, plans: 3 Parallel Sessions

#### 1. Cancer

Chairman: Professor Sarah Blagden, Department of Oncology, **University of Oxford**

Dr Timothy Clackson, President R&D and CSO, **Ariad Pharmaceuticals**

Dr Sean McCarthy, CEO, **CytomX Therapeutics**

#### 2. Diabetes

Chairman: Professor Rury Holman, Director Diabetes Trial Unit, **University of Oxford**

Dr Dominic Behan, EVP and CSO, **Arena Pharmaceuticals**

Dr Alessandra Cervino, Head of Discovery, **Enterome Bioscience**

#### 3. Infectious Diseases

Chairman: Professor Derrick Crook, Professor of Microbiology, Consultant, **Oxford University Hospitals**

**NHS Trust**

Dr Miles Carroll, Head of Research, **Public Health England Porton**

Dr Ronnie Farquhar, ex SVP Discovery and Pharmaceutical Sciences, **Cubist Pharmaceuticals**

13:00

**Lunch**

13:45

**Opportunity 7: Investment Perspectives**

*Funding priorities – what’s hot, what’s not, proof of concept, market potential*

Chairman: Alex Snow, Deputy Chairman, **Oxford Sciences Innovation**

Dr David Brindley, **Saïd Business School**

Dr Richard Gill, Board Member, **Launchpad Venture Group**

Dr Heather Preston, Managing Director, **TPG Biotech**

Dr Dan Mahony, Fund Manager, **Polar Capital**

Dr Shawn Manning, **Akesios Associates**

14:30

**Opportunity 8: Smart Cities & Smart Cars – How Communities & Cities Can Rise to the Challenge**

*New settings for engaging patients in their own health; helping communities respond*

Chairman: Lord Paul Drayson, Chairman and Chief Executive, **Drayson Technologies Group**

Dr Phil Clare, Associate Director, Research Services and Head of Knowledge Exchange, **University of Oxford**

Dr Caroline Hargrove, Technical Director, **McLaren Applied Technologies**

**Panel**

Lord Drayson

Dr Phil Clare

Dr Caroline Hargrove

15:30

**Closing Discussion & Next Steps**

*Drawing conclusions from The Alumni Summit, identifying next steps*

Chairman: Professor Sir John Bell GBE, Regius Professor of Medicine, **University of Oxford**

16:00

**Conference Close**
